Dr. H.C. Burleigh,
Bath, Ontario, Canada,

Dear Dr. Burleigh:

My client could not make out a genealogical chart. It is to secure the necessary information to do so that he has engaged my services.

I think I have given you all that he knows, viz. that his ancestor JACOB SNYDER who married NANCY ISMAY, went to Canada and settled in Ernesttown. As he told me that JACOB was a "royalist", and the only record I could find of such a Jacob was that of the son of Simon who fought on the British side, the son receiving 200 acres as "son of a loyalist", I at first supposed that this was his Jacob, but finding the record of a marriage of Jacob Snyder to Catherine Cole in 1793, and learning that NANCY ISMAY did not die until about 1826, I conclude that there were two Jacobs, and that the one we seek went to Canada later than I at first believed, and I think he was a brother of Simon, but lack the proof. If you should find any proof of this, I would be glad to pay a reasonable price for it. I had hoped that examination of the deeds at Napanee might bring out some interesting information, but I have at length learned that the early deeds for Lenox and Addington are in Kingston, the three counties having had but one set of records up to 1863. I am now engaged on the arduous task of trying to get some one to examine the Books at Kingston. It does seem to me strange that any one unwilling to make an examination would not have the courtesy to write and say so, but that such is the case, I have had oft-repeated and sad experience!

As I think I know Simon's ancestry, if I could prove that Jacob was his brother, (and I know Simon had a brother so named), I would feel satisfied to call the search complete.

Mark Snyder was another brother, I feel sure. The known children of our Jacob and Nancy were John, Robert, George, Betsy, Sally, Rachel and Isaac. Whether all went to Canada, I do not know; Isaac did, having had two children b. in Ernesttown, in 1813 and 1815 respectively. He then removed to Jefferson Co., N.Y., but probably returned to Canada prior to 1832, as he had son born in Camden East in that year. He later removed to Illinois and died there.

Jacob = Nancy Ismay

Dear Reverend Sir:

I am trying to secure a list of the early settlers
of Ernesttown.

Do you have a record of those who are buried in
Ernesttown Cemetery?

I am particularly interested in the (Snyder) Snider
family, do you know of anyone whom I could contact who could
give me any information of the earliest Snider who settled in
Ernesttown?, this is for family history purposes,

Yours sincerely,

Thomas W. Waywell.

Dear Sir or Madam:

Your letter of the 24th. was an agreeable surprise as I had arrived at the conclusion that I would not be receiving an answer, however, I am grateful to the minister of St. John's Anglican for handing my letter over to you. When I wrote to the minister I thought that he might have a copy of the cemetery records.

My wife has made several trips down to Kingston and district and has copied the gravestones in the cemeteries of Wilton, Verona, Godfrey and Piccadilli, and most of Ernesttown.

I realize that many of the first settlers were buried on their own property.

My wife is a member of the United Empire Loyalists Assn. and is trying to extend her other lines.

Enclosed please find \$2.00 and copies of 4 sheets which we wish you would try to give us more data on, if this amount of money is not enough let us know.

Let me know of what cemeteries you have records of. Do I understand that you will copy out the cemetery records you have for Twenty Five cents per page?

I am pleased to know that you are interested in the early settlers. Since my wife has been a member of the U.E.L. Assn. she has had many of her friends writing in asking for data on the U.E.L.. It seems that many have become genealogy minded in Canada.

If we have any more enquiries will you do research work on them from your records?

Many thanks for your co operation,

Yours sincerely,

Thomas W. Waywell.

H.C. Burleigh, M.D., C.M.
Bath, Ont., Canada,

Dear Dr. Burleigh:

I was delighted to receive so prompt a reply to my letter to Miss Huffman and ^{wish} to have you see what you can find in regard to SIMON SNYDER and his son JACOB.

You will understand, I am sure, that I have to be careful of my client's money, and so do not wish to authorize an unlimited search. I am entirely willing to pay ten cents an hour for the automobile where it is necessary to use it, but it seems to me that \$2.40 would be quite a high price to pay for the round trip to Napanee and at the same rate, a trip to Kingston and back would cost us \$3.40. I would prefer to authorize you to make these trips by train and use the auto for places inaccessible by railroad. Would this be satisfactory to you? Also I would prefer to let the Kingston trip wait until we saw what the Napanee records would show. My plan would be :-

- (1) To find whether SIMON and JACOB SNYDER left any wills, and if so, to let the dates the wills were made and the dates when they were proved which would give an approximate idea of the time each died. I would also want the names of all the heirs with relation to the testator, the name of the executor and names of witnesses. If an inventory shows value of estate, please give that also. We do not wish any further details, except the occupation of each of the testators, if shown, and the place of residence as designated in the wills.
- (2) From the deeds, we wish to learn the location of their homelands, with number of lot and concession. I have old maps from Ottawa on which I could then locate their places of residence which is all we need to know. If any wife signs, would like her name; look specially for a wife Nancy for Jacob. While I believe he is the Jacob who married a second wife in 1793, I would like to know whether Nancy went with him to Canada.
- (3) At the Registry of Deeds, look also for ISAAC SNYDER who was a son of JACOB and was born about 1787 in this country. If he went to Canada with his father, he returned to N.Y. State and was married there in 1808; returned to Canada about 1813, had a child born in Ernesttown in 1813 and another in 1815; lived in Jefferson Co., N.Y. from about 1819 to 1827; had a child born in Camden East, your county in 1832. I do not wish elaborate details from any of the deeds, our object being simply to learn the locality where they lived so as to form a family "picture". But please in each case give date of deed and number of vol. and page where it is found.
- (4) if the Napanee Library has an old History of your counties, please see what it says about these SNYDERS, (if anything)

Do not wish data on any of the other loyalists by the name of Snyder.

When you have done this, please report to me without making the trip to Kingston, and after I have digested what you send, I will decide whether we can cut this out.

I am pleased that you may be able to send me something from your own material, from the cemeteries and from the Burleigh family Bible and am looking forward with pleasure to your report.

Miss E.J. Huffman, Secretary
Bath Historical Society,
Bath, Ont.

Dear Miss Huffman:

I am seeking information in regard to the Snider or Snyder family who went to Canada as U.E. Loyalists and settled in Ernesttown Township. SIMON SNIDER received a grant of 200 acres as having been active with the King's forces from 1777 till the close of the War and his son JACOB received a grant as the son of a loyalist. I would like to learn the dates of death of both these men and also of their wives and to know the location of their land and whether there are any descendants in the neighborhood at the present time. I wrote to the Ontario Historical Society and was advised to consult you. If there are any gravestones in the old graveyard of St. John's Church, I would very much like to have the inscriptions and if the Parish Register has any Snider entries besides those given in Vol. 1 of the Ontario Historical Society Publications, I would like to have these also.

Could you tell me of any one in Nananee whom I could get to go to the Probate Office and see whether SIMON or JACOB SNIDER left wills and if so, to copy the names of the heirs with relation to the testators. I would also like to have a list of the grantors and grantees with the name SNIDER or SNYDER which appear on the Register of Deeds up to 1830. I am willing to pay seventy five cents an hour for this service. I have written to the Probate Office but received no reply. I next wrote to the Librarian of the Public Library asking if some one could be procured through the Library, but I also have heard nothing in reply and my work is being held up, so that I should be very grateful to you for any advice you may be able to give and I will send you the ancestral line of the SNIDERS if I am able to work it out. Please excuse this untidy letter; my typewriter is out of tune.

Sincerely,
Eva L. Moffatt

GENEALOGICAL SOCIETY

Dr. H.C. Burleigh,
Bath, Ont.

Dear Dr. Burleigh:

Please excuse my delay in replying to your letter of the 16th. It is difficult to make a decision in regard to spending other people's money, and my clients are living at a great distance from Boston. I always try to avoid travelling expenses except when a direct advantage is to result and it does seem as though I should be able to get some one in Napanee to go to the Probate and Land Offices which should save at least \$3.00.

I am very appreciative of your offer and do not consider the charge for the use of your auto at all excessive; it is exactly what my nephew has received when he has taken me on genealogical searches, but my clients are making a very extensive search for their forefathers, not only in the Snider line but in other families, and you will readily understand how fast it runs into an expensive undertaking.

A letter from my client's representative has been somewhat disconcerting to me. I had assumed that the Jacob Snider whose father was Simon, was his ancestor for whom I was to make the search, and I thought it probable that his first wife, Nancy, had died and that he was probably the one who married, 1793 Catherine Cole, but he says that Nancy did not die until about 1826, and this brings up the possibility that Simon's son Jacob was the one who married Catherine Cole and that my client's Jacob did not go to Canada until later and may have had a different father, so I do not feel as optimistic as I did about getting the line worked out. I am planning to go to Albany next week if transportation is possible and safe after the great storm and floods. It is possible that Jacob with wife Nancy may have been a brother of Simon. If you should find anything in regard to location of this Jacob, or in reference to their dates of death and burial, I will be glad to pay a reasonable price for the information.

Yours very truly,

Eva L. Moffatt

It is stated that the Bauder family originated in the state of Palatine on the River Rhine. This was chief battlegrounds of the Franco-Prussian Wars.

The people were so disturbed by continual warfare that they resolved to seek homes in some other country. 3000 of them were transported on 11 ships to America under the Patronage of Queen Anne of England, and landed on Ritten, or what is now known as Governor's Island in New York Harbor, June 13-1710.

Although the passengers were from Palatine there is a tradition that the first comers emigrated from Holland. It is a known fact that the boats sailed from Holland.

They settled in the Mohawk Valley in the state of New York, although one or two settled in Michigan and one in Nebraska.

Our Bauder family came from New York.

Dear Doctor Burleigh:

Your name was given to me by Mr. Harry J. Baker of Crawfordsville, Ind. I wrote to him to see if he had a relative of my husband's listed in his Walker book. He did not, but told me to write to you about Walkers in Canada.

Actually I do not need, as far as I know, information on Walkers in Canada, but decided to write anyway and state my problem.

The way Thomas Walker comes into the family is that he married Abigail Atwater. He is listed in the Atwater History I have, but nothing is given of his parentage or birth, merely that he married Abigail 7 June 1778, and he is listed "of Vermont". His marriage to Abigail makes him my husband's 3rd grandfather, so of course we would be interested in finding his parents and on back.

I do need some information on another family with residence in Canada 1841. They tie into the same family as the above Abigail, the Reuben Hiram Wixom family. My husband's mother was a Wixom. They are Stephen and Mary married (Snyder) Montgomery. Their daughter Hannah was born 28 July 8-9-1816 1830 in Ernston (or Earns Town) Upper Canada. She married Solomon S. Wixom and died in Liberty, Idaho. I tried to find this family in census records, but apparently they left Canada, or at least that area, before 1841. I do not know the church they belonged to, hence am not able to search in church records. box 72

If you should have any information on any of the above I would greatly appreciate it. Do not know if I would have any information you would want to exchange, but would be quite willing to pay a reasonable fee for what I require.

Thanking you for your attention,

I remain,

Mrs. Cora Betts

MEMORIES OF THE PAST.

From TAGORE.

Who are you, reader, in the years to come
Who reads, and haply, finds this bit of rhyme---
One fragment rescued from the waste of time---
A word of greeting from a voice long dumb?
Who are you, reader, in some distant clime
To whom these shallow words mayhap become
An echo from the dimming past as some
Faint ling'ring throbbing of a dying chime?
Yours is the rich inheritance I bring---
I cannot send to you one single flower
From out the bounteous fragrance of this Spring;
But in your garden, in your blossoming bower,
Pluck thence one bloom and sense the joy I swing
Across the years, the odors of this hour.

FACT OR LEGEND?

The writer, a photographer for the Lennox and Addington Historical Society, has come into incomplete information to the effect, that a very early settler in the general area of Odessa, was killed and scalped in his fields by Indians. The name of this settler was Snider. It is desired to learn the precise location of this tragic event — its history unwritten. Any assistance toward locating the precise location would be appreciated by R. O. Fretts, Napanee.

ANNIVERSARY COUPLE — Mr. and Mrs. James D. Snider who celebrated their Diamond Wedding Anniversary recently at Kingston General Hospital.

Feb. 12, 1962

Diamond Anniversary Celebrated

Mr. and Mrs. James D. Snider, well known Odessa district residents, celebrated their Diamond Wedding anniversary at the Kingston General Hospital where Mr. Snider was a patient at the time. Nurses on Victory I helped make it a special day for the couple by presenting them with an anniversary cake and a container of cut flowers.

A cable from Queen Elizabeth II, and letters from the Prime Minister and Clarence Milligan, MP for Prince Edward-Lennox, were among the many congratulatory messages received by the couple. They were also the recipients of many bouquets and flowering plants from relatives.

Mr. and Mrs. Snider were married on the Clark homestead 60 years ago. Both were born in Ernestown township and have resided since their marriage on the farm where Mr. Snider was born.

Three attendants at the wedding are still living; Mrs. John E. Hagerman, who was her sister's bridesmaid, Miss Willanna Clark, another sister, and a cousin Miss Lenna Calder, now Mrs. Sydmer Bird, Belleville, who were "maids of honor." The groomsman, Edward Gilbert and Mr. Snider's one brother and sister Enoch Snider and Mrs. R. W. Burgess (Mary) are deceased.

Other relatives who attended the wedding and who added their congratulations on the 60th wedding anniversary include Mrs. Snider's brother, Dr. Alex M. Clark, Mrs. A. A. Caton and Mrs. H. M. Clark, all of Kingston, Mrs. W. G. Clark, St. Catharines and James L. Clark on the homestead.

Mr. and Mrs. Snider have been faithful members of Odessa United Church for many years. Since their anniversary celebration, Mr. Snider has returned home from the hospital.

Dear Sirs,

I am working on the Family tree of the "SNIDER" Family who were United Empire Loyalist.

I have run into a problem sorting out ages and thought you might be able to give me some help as to how this might be done. My problem is this:

I am trying to sort out the ages of Abraham, the son of Abraham, and Abraham, the son of John. The Abraham, son of Abraham, on the U.E.L. list shows O. C.

14 November, 1831. Abraham, son of John, on U.E.L. list shows O. C.

March 26, 1817. Is there any way I can determine the ages of these people?

Dear Dr. Burlingame

Enclosed is my application for membership
step in the Boy of Quince Chapter, & my
cheque for \$15.00.

You will note that there is some information
missing, & Hermonium Council has advised
me to send my application along to you, as I
have run out of ideas of where to search next.

My father & I were in Bath two weeks
ago hoping we might find the grave of Zechariah
Snider somewhere in Ernestown. I wanted so much
to see you, but could not quite muster up
the courage to meet you without an appointment.
Zechariah was one of Lt. Jessup's rangers, & was
given 100 acres in Ernestown in Concession 3, lot
21. Later, he was given 200 acres in Camden in
Concession 5, next to the 200 acres his wife received.
as the daughter of a loyalist. She was the former
Mary Miller the daughter of Jacob Miller, an
adjutant in the Loyal Rangers.

2

I have a strong hunch that if I were able to get hold of the McNeill + Langhorn registers, etc. ~~it~~^{they} would reveal much, e.g. the date of their marriage + death. I strongly suspect that Simon Snider was the father of Zechariah. Could you have any suggestions how I could prove this? I would like to know more about all the Sniders. There were many on the Loyalist list who settled on Bay of Quinte. I would like to know if they were related at all, + if they came from Dutchess County in New York as Zechariah Snider did.

Presently I am searching the Upper Canada Land Petitions for clues on microfilm in our Library in Oshawa. I am not afraid of the work involved, + would welcome any suggestions you could give me re sources.

If you feel that my application is not complete enough, please return it along with your suggestions, + I will attempt to solve the remaining mysteries + supply the missing links. I would like to qualify fully for membership + be accepted by your chapter as well as Honorary General.

I will look forward to hearing from you soon.

Yours truly,

Dear Sir Burleigh:

I would like to find a name for the
children & grandchildren of Jacob Snider & Lydia
Bright. Jacob Snider was a grandson of Simon Smith
through Simon's son Zachariah. I thought you might
like to have this as your "Snider" file.

Presently I am working on the names
of Jacob Snider & Lydia Bright. It is now about
half completed. I hope to be able to give you
with a copy of it, use in the near future.

Your help & guidance in the past has been
very appreciated.

Kind regards

Mr H. C. Burleigh
Bath, Ont.

Dear Mr Burleigh:

In Aug of last year I wrote you with regards to the family of CATHERINE MONTGOMERY born 1 June 18 11 (birth place unknown) married 12 June 1838 at Camden E. U.C. married to Chester Snyder.

This is a letter in part I received:-

Nothing has been found regarding the deathdate of Catherine Montgomery. She reportedly went back to Canada, possibly Camden East, to visit relatives, and it is not know what happened to her after that. Her husband here married again. She was here until at least 1850, but we do not know just when she left. It is not likely she would have left tiny children, and since the last one was born in 1849, she must have remained here some years. She personally gave her birthdate as 1 June 1811, and we know she was married in 1838 at Camden East. Her first child, Eliza Snyder, was born 28 February 1839 at Camden East, the next one in 1841 in Illinois.

The Salt Lake Genealogy Soc. has asked me to take a trip to Camden East and see if I can get any data from the cemetery. I am getting ready to take a trip to Alberta and hardly think I will have much time. Would you look in the cemetery records of Camden and let me know if you have anything on the family of Chester Snyder and his wife Catherine Montgomery. Especially Catherine Montgomery.

I would be willing to pay you what every the time it takes (send in your bill). Could you let me know right away so that I could make plans to go to Camden if I have to. Before next saturday.

I want to congratulate you on your article in the Ont. Hist. Soc. Papers. How is the Genealogy Society coming along? I had hoped we could have a meeting this spring.

Yours sincerely,

Mrs Mahala M. Waywell.

ANOTHER OF PRINCE EDWARD COUNTYS
LANDMARKS GONE.
PETER SNIDER

There died on March 11th, 1893 at the residence of his son H.M.Snider, at the ripe age of 88 years. The deceased was born at Hay Bay. of U.E.Loyalist parents, and his mother died there when he was but five years old. Immediately after the death of his mother the family moved to Prince Edward County and stayed for a short time with friend on Lot 62, Con2, Ameliasburgh, being the same lot on which he died, his son H.M.Snider having bought the property but a few months previous. It is probable that there is now no living person who has lived so many years in the county, he having been a continuous resident for over 83 years. It has been the delight of his friends and relatives for years past to hear him relate the many trials through which he with others had to pass, and to note the improvements in this and adjoining counties which to the early settler seemed impossibilities.

Notable among the improvements of which the deceased took a prominent part was the erection of the court house and jail of Picton, and while acting in the capacity of constable he placed the first prisoner in the cells before the building was completed. Among the wonders of his time was the appearance of the first steam boat that navigated the waters of the Bay of Quinte and of the first grain thresher that came to lighten the labours of the farmer. Having been converted to the christian faith, he joined the methodist church and as steward and leader devoted much of his time to the advancement of the church of his choice, and by a consistent life and Godly conversation did much to mould aright the lives and character of those with whom he associated. Father Snider, as his many friends preferred to call him, has proven by his life as well as by his death the correctness of divine writ which declares the godliness is profitable to all things. An aged wife, four daughters, three sons mourn their loss.

The sons of the deceased are: Isaac of Bloomfield; George, Tyendinaga; and H.M. of Ameliasburgh. The daughters were; Mrs. Mary Knapp, Frankford, Mrs. Charlied Graham of Napanee, Miss Jennie Snider and Mrs. Hawley of Picton.

I wished to examine Vols. 2 and 3 of the "Ontario Archives" to see whether the Balls asked for Crown land along with the other Loyalists, but find that the books are "out" in the Library of Congress. You may obtain this information by writing to Dr. J. J. Talman, Department of Public Records and Archives, Toronto. Perhaps too, the Canadian Archives at Ottawa can help you. Mr. Francis J. Audet is the Director, Service of the Information.

And, of course, you have probably by this time examined the land records at Ernesttown.

I hope that this meagre information will be of some help; and if I can be of any further assistance, be sure to write to me.

Yours sincerely,

George Olin Zabriskie
